## Texas Bubbly Rosé

### Take Flight!

Flight is a bubbly and fresh off-dry Rosé in a can...the perfect match for your poolside, tailgating, camping and lakeside fun. The red berry nose with a palate of ripe red cherry, pomegranate juice and a slight floral note comes to life with pearls of bubbles. Flight is our new go to wine for parties, barbecues and just hanging out.

### The Spotted Feather...

Guinea fowl have been roaming the vineyards at Kiepersol for over 20 years. As stewards of the vineyard, their constant chatter keeps deer and birds away from the grapes. Their appetite for flying and crawling critters provides a natural defense for the vines.

Feathers found throughout the vines are known to be good luck charms. We believe each spotted feather found represents a releasing of the past. Flight is grown in a place where one can feel soulfully grounded while also letting dreams soar. So, Take Flight my friends.
